

Evaluation of Cavitand-Driven Metal-Catalysis for Selective Transformation

Tomoyuki Maruyama, Tetsuo Iwasawa*

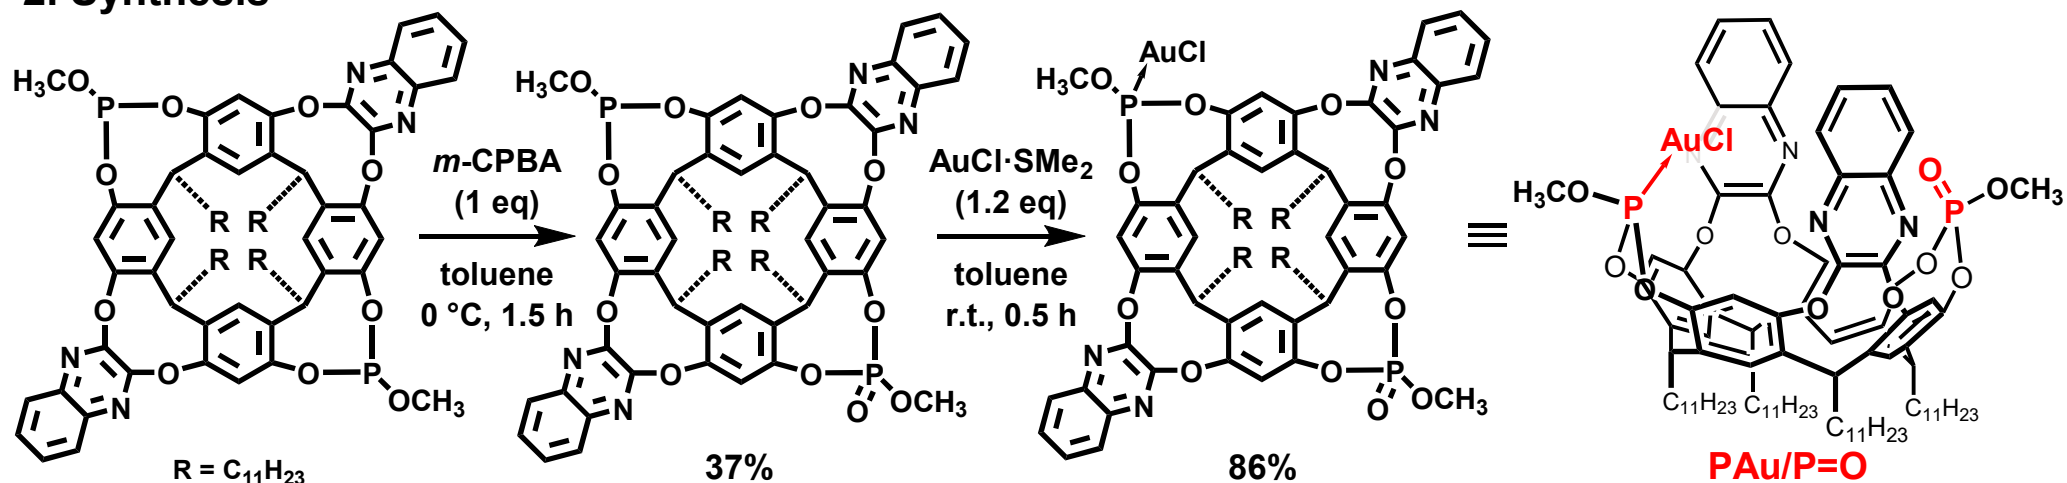

Department of Materials Chemistry, Ryukoku University, Seta, Otsu, Shiga 520-2194, Japan

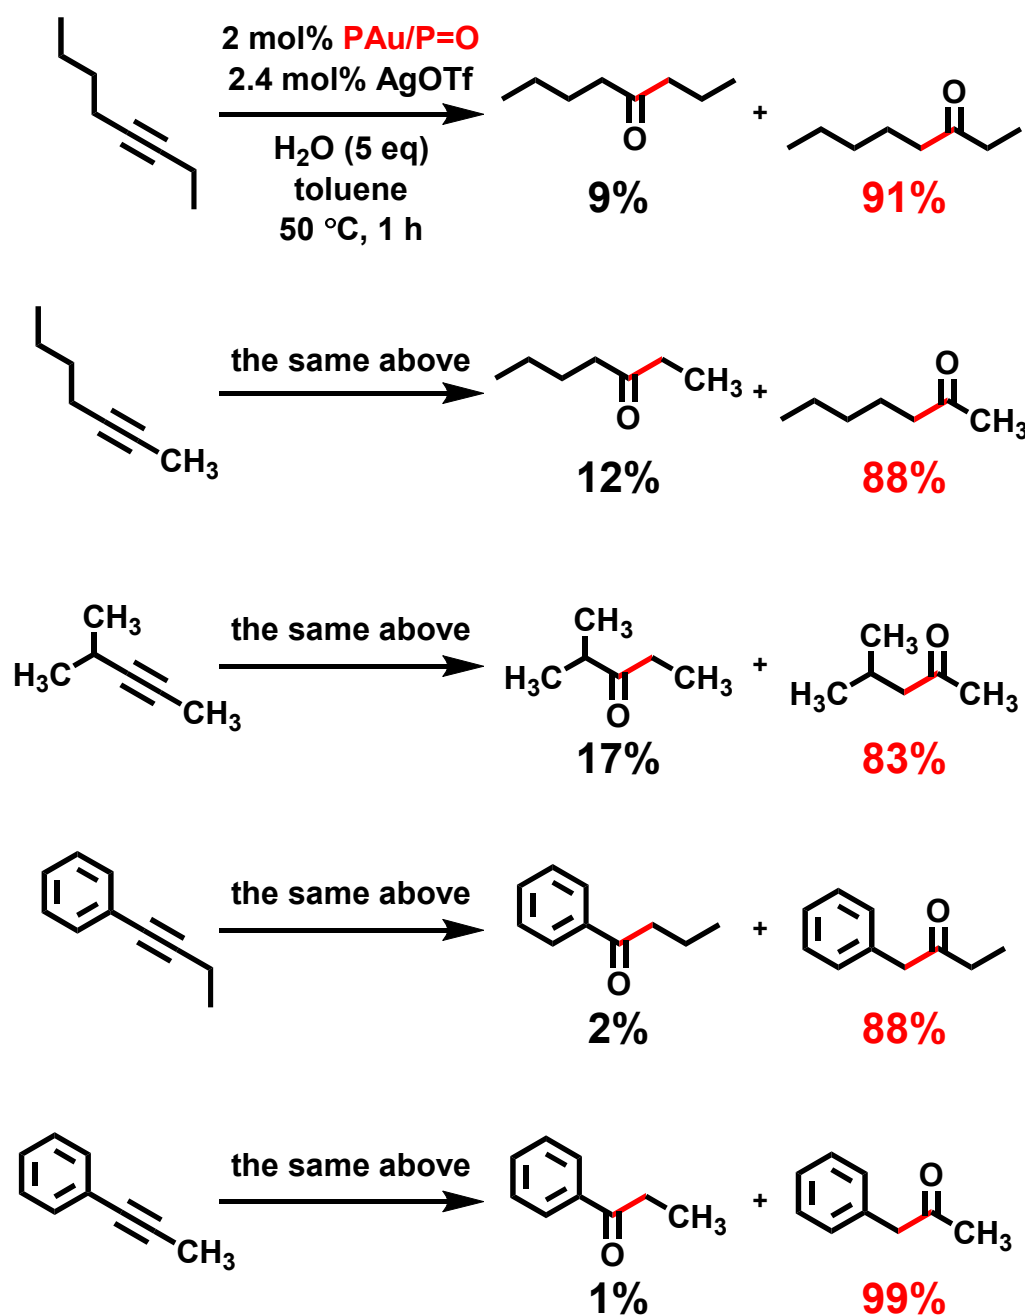

1. Summary T. Iwasawa, J. Synth. Org. Chem. 2019, 77, (1), 40-48.

2. Synthesis

3. Selective hydration reactions

4. Evaluation of reactivity and selectivity
